

CAS BIO 2023

The music of Cigarettes After Sex invokes not only the powerful feelings of euphoria inherent in the band's name itself, but somehow manages to recreate emotions found only in the most romantic of movies; immersive, achingly nostalgic, thoroughly transporting, and intensely visual. It's these powerful and unique qualities which have enabled the love songs of Cigarettes After Sex to reverberate across countless countries and excite the most devoted kind of following.

The band's catalog has sold over 2.5 million records to date, amassing 3 billion Spotify streams, over 17 million monthly listeners, and 800 million+ YouTube streams. The band's list of on-the-record fans include everyone from Taylor Swift, Kylie Jenner, David Lynch, Lana Del Rey, Françoise Hardy, Lily Allen, Busy Philipps, and more. They've been featured in Vice Noisey, V Magazine, Interview, NPR's Tiny Desk, and their music has appeared in *The Handmaid's Tale*, *Killing Eve*, and Ralph Lauren ads.
