

The Sherlocks

BIOGRAPHY

Over recent years The Sherlocks have become one of the most exciting alternative indie live bands in the UK. Selling out tours across UK & Europe, the band have also achieved chart success with x3 Top 20 albums, most recently #9 World I Understand, #6 Live for the Moment & #20 Under Your Sky. Yorkshire brothers Kieran & Brandon Crook joined up with Alex Procter & Trent Jackson. With an incredibly passionate loyal fan base their fans have followed the band's journey from the pubs/clubs to selling out venues out all across the world. As well as being asked to tour in arenas/stadiums with the likes of Liam Gallagher, Kings Of Leon, Kaiser Chiefs, The Libertines and many more. With another new album on the horizon, one thing for sure is the future looks incredibly bright for this true rock 'n' roll outfit.
