

## **Live Announcement: Eefje De Visser 2024**

Eefje de Visser is back.

This summer, she'll be at Rock Werchter and Down The Rabbit Hole before reclaiming the club venues once again. De Visser has built a strong live reputation as a singer, musician, and performer. Captivating and surreal, hopeful and nostalgic: she brings layered alternative pop and creates a warm visual world where the viewer can forget time and escape reality exuberantly or quietly. Eefje is currently working in the studio on the songs she wrote during the Bitterzoet Tour, as well as during the pandemic, her pregnancy, and the first period of motherhood. She will release new music this year.

OOR:

In Amare, she leaves the stage after more than an hour and a half as perhaps the best Dutch-language all-round pop artist we have ever had.

3VOOR12: Bitterzoet is one of the best Dutch albums ever made. We already knew that. Now we can conclude that the accompanying show is also a groundbreaking, dazzlingly beautiful directed show that is unparalleled.

Bitterzoet marked Eefje de Visser's definitive breakthrough in 2020. The album was chosen by 60 music critics for OOR's Year-End List as Best Album of 2020. Never before has a Dutch album ended up at number 1 on this list, which has been published since 1973. Bitterzoet won two Edisons, a 3FM and a BUMA Award in the Alternative category, the 3voor12 Award for Best Album, 3FM's Schaal van Rigter, and the Golden Nutcracker 2020. During the recordings for Bitterzoet Live in Carré, Eefje received a gold record for Bitterzoet. She played forty sold-out shows in the Netherlands, Belgium, and Germany. NRC Handelsblad and VPRO voted Eefje as Best Act at Noorderslag 2020 and by 3voor12 as Best Act at Pinkpop 2022. She ranked second in Pinkpop's Top Fifty Best Acts of the Festival Season.
