

CURRENT BIO 17 SEPT 2025

Friend of a Friend formed in the summer of 2020 after a lifetime just missing each other. Since the 2022 release of their debut album "In Arms," they've toured relentlessly throughout Europe and North America. Their sophomore album "FACILITIES" was recorded in Joshua Tree, California with Jordan Lawlor (M83, J. Laser) and released in the spring of 2024.

FOAF has been named an artist to watch by *Rolling Stone*, an "American Visionary Duo" by *Mesmerized*, an "indie rock band taking the scene by storm" by *Wonderland Magazine*, a "cultural phenomenon" by *Extravafrench*, "sonic visionaries" by *Plastic Magazine*, "the next huge thing in indie rock" by *Each Measure*, "seamlessly intriguing" by *Obscure Sound*. They are working on their third album.

old blurb

Friend of a Friend is an American post art rock duo, named as an artist you should know in *Rolling Stone*. Hailed as an "indie rock band taking the scene by storm" by *Wonderland Magazine*. *Mesmerized* calls them an "American visionary duo" with "unwavering eclecticism." *Under the Radar* calls the work "both alluring and shrouded in mystery." *Obscure Sound* describes it as a "ravishing, climactic listening experience." "Embarking on some wildly adventurous pursuits here, they are continuing their reputation as true innovators on the rise right now," says *FLEX Music Blog*. Featured in multiple Spotify editorial playlists, with a rapidly growing fan base, a strong live draw, over 3 million streams on their catalog, and "with the release of their engrossing sophomore album *FACILITIES*, US duo *Friend of a Friend* have cemented their status as a fiercely exciting and expansive outfit," says *CLOUT*. According to *Mystic Sons*, FOAF are "definitely ones to keep a firm eye on for the months ahead."

quotes

"Muchos de estos descubrimientos están en sus primeros pasos, y tienen un número reducido de canciones disponibles, pero encierran un potencial que podría alumbrar el porvenir." - 10 artistas que deberías conocer, [Rolling Stone](#)

"Molek and Savsani tap into an immersive blend of sounds, knit together with hypnotic acoustic tones and steady marching percussion." - Premiere: Friend of a Friend Shares New Single "everyplane" Sophomore Album *FACILITIES*, [Under the Radar](#)

"Indie rock band taking the scene by storm" - Friend of a Friend - Always on Time, [Wonderland Magazine](#)

Los lanzamientos de la semana, [Rolling Stone](#)

"Friend of a Friend enthrall with melodic momentum across folk and rock intertwining, seamlessly intriguing on new single "nothingforme." - Friend of a Friend: "nothingforme," - [Obscure Sound](#)

"American visionary duo Friend of a Friend has caused quite a stir in the indie scenes in the past few months. Their secret can probably be described as unwavering eclecticism, a particular predisposition for blending a diversity of tones and timbres which in turn results in malleable and hypnotising pieces of music." - Friend of a Friend unveil a universe of bliss in nothingforme, [Mesmerized](#)

“Having already cemented themselves as one of the more enchanting names doing the rounds right now, Chicago-based outfit Friend Of A Friend recently returned to deliver their spellbinding new single 'nothingforme'...” - Friend of a Friend unveil a new single “nothingforme,” [Mystic Sons](#)
