

BIO

MARCH is a powerhouse four-piece rock band from the Dutch-Belgian border, delivering a fiery blend of hard rock, punk, and stoner influences. Their sound is fresh, raw, and undeniably electrifying, capturing the hearts of rock fans across Europe and beyond.

At the helm is Fleur Van Zuilen, a dynamic frontwoman whose gritty, emotive vocals and commanding stage presence light up every performance. Backing her are guitarist Hermance Van Dijk, bassist Jeroen Meeus, and drummer Thomas Frankhuijzen, whose shredding riffs, virtuosic solos, and rock-solid rhythms create a high-octane musical force.

Over the years, MARCH has shared stages with iconic acts like NOFX, Descendents, Lagwagon, Heideroosjes, Clowns, Itchy, Adam Angst, and Massendefekt. Their resume includes performances at premier international festivals such as Zwarte Cross, Jera On Air, Ruhrpott Rodeo, Punk Rock Holiday, Brakrock, and Frank Turner's Lost Evenings.

In 2023, MARCH celebrated a decade on the road with the release of their third full-length album, *Get In* (Concrete Jungle Records). Packed with energy and attitude, the record cements their reputation as a band that delivers what rock fans crave.

In 2024, the band's explosive live energy was captured for the iconic German TV series *Rockpalast* during a sold-out show at Cologne's E-Werk, where they played to a crowd of 3,500 fans. Whether on stage or in the studio, MARCH brings a raw edge and infectious energy that guarantees a rock experience to remember.

PROMO TXT PLEASE USE FOR ANNOUNCEMENTS

After 10 years of relentless touring and 3 critically acclaimed full albums, MARCH established themselves as a highlight of the European punk rock scene. This Dutch/Belgian quartet takes the freshest parts from rock and punk to give their songs a raw edge, a catchy twist and a positive message. Their goal: making you go harder, drive faster and shake the dust off your bones, all while painting a huge smile on your face.

Combining singer Fleur's uniquely raw voice with an overload of crispy guitar riffs and a high-octane rhythm section, MARCH delivers the most intense live show this side of the Bronx. With hundreds of shows under their belt, the formation has become a well-oiled live machine that thrives on stage.

PRESS

LIVE

"Really energetic and the songs are just great ... Great band, with a singer whose voice blows you away. Chapeau!" - polytox.org

"MARCH are simply awesome, both on record and even more so live ... super performance" - bierschinken.net

"As expected, instruments are being manhandled, but the raw edge on the vocals adds a unique twist to the whole. The added bits on lead guitar fit in perfectly with the punk vibe of the music." - smashpress.nl

"MARCH grabs you by the throat ... there's so much to see on stage." - rockportaal.nl

GET IN (2023)

"With GET IN, MARCH claim their spot among Dutch punkrock greatness ... A band like a powerplant" - 8/10 - Ox Fanzine (DE)

"The 12 songs on the album are perfect across the board" - SLAM zine (DE)

"GET IN underlines once again what a great rock band MARCH has grown into ... One of the most exciting bands the European rock scene has to offer" - 8,5/10 - Powermetal.de

"An impressive punk rock album that impresses with its anger and passion." - 5/5 - cybmaq.de

"Screams to be experienced live" - 9/10 - rocknews.ch

SET LOOSE (2020)

"A great mix of profound lyrical content and riff mastery" - 8/12 - visions.de

"A fine, unexpectedly fresh album that goes back and forth between soft and heavier Fat Wreck tones ... MARCH are the cheeky, hedonistic Punk'n'Roll siblings of THE DONNAS or HOLE" - Fuze magazine (DE) #081

"Wild, unbound, danceable, moshable, fiery, sparkling. A Punk/HC monster named MARCH" - Slam zine (DE)

STAY PUT (2016)

"Going crazy on a fine piece of authentic punkrock... Catchy hooks and ditto vocals made me play the tracks at the unholyest of times. Like a neurotic junk soothing himself with the thought: Just one more, and everything will be OK again." - nmth.nl

"MARCH do not do anything wrong on Stay Put. The whole thing sounds solid, driving and simply loud: honest punk rock'n'roll ..." - Ox-fanzine.de - 7/10
