Fresh on the heels of his full band U.S. tour, Shayfer James will be Summoning his new album of the same name with a solo UK/EU headline tour beginning on September 8th, 2025. The performances will feature songs from the new album as well as songs from his entire catalog.

BIO

SHAYFER JAMES

Shayfer James is an internationally touring American singer-songwriter, pianist, and composer known for hauntingly beautiful and bombastic music that blends elements of rock, pop, soul and cabaret. His work spans 3 full length albums, 5 EPs, a rock-operetta and various singles and film scores .Shayfer has also collaborated with the likes of Will Wood, Fish In A Birdcage, Sparkbird and Kate Douglas. Shayfer will release a new album entitled "Summoning" in early 2025 which will be celebrated by a full band U.S. tour in April 2025 with support from special guest, Sparkbird.
