## Bio

*Anuv Jain, a 30-year-old singer-songwriter from Ludhiana, India, has evolved from an online sensation into one of the biggest indie music stars globally.*

*Known for capturing raw human emotions, his breakthrough came with the studio version of **Baarishein**, which earned him a devoted following and over 800 million streams across platforms. Since 2012, Anuv has released 13 singles, with **Afsos** (January 2025) marking his first-ever collaboration, featuring Canadian rapper AP Dhillon.*

*His success transcends borders—**Husn** (December 2023) garnered over 500 million streams globally, topping Spotify Viral charts at #2 worldwide and #1 in India, Pakistan, Bhutan, and the Maldives. **Jo Tum Mere Ho** (August 2024) followed, becoming his second consecutive #1 hit in India.*

*Beyond music, Anuv has left his mark with global recognition. He appeared in Forbes India's 30 Under 30 and GQ India's 35 Most Influential Young Indians and opened for Post Malone. In 2024, he joined the UN LIVE's Sounds Right campaign, promoting environmental conservation.*
